The Swallow **Doretti**

THE FINEST SMALL SPORTS CAR AVAILABLE

This is the best finished car of its type available today. With its very rigid and extremely clever chassis construction coupled with a very strong steel understructure for the light aluminium body panels, it is one of the safest fast cars on the road.

The exhilarating performance is backed by superb roadholding and brakes, also light and accurate steering.

**TERRIFIC ACCELERATION — Well Over
100 m.p.h. — Well Over 30 m.p.g.**
