Dear Sir,

We thank you for your letter dated 12th instant requesting literature in connection with our car production for 1955 and 1956, and in reply we would advise that the manufacture of the 'Doretta' sports car has now been discontinued and we are no longer active in the motor car field.

However, we are enclosing herewith brochure concerning the 'Doretta', in the event of this information still being required.

Yours faithfully,  
SWALLOW COACHBUILDING CO. (1935) LIMITED.
